

ACTEON North America has announced the winner of its iPad2 Giveaway contest which took place immediately after the CDA South dental conference. All persons placing orders at the **ACTEON** booth during the show were eligible for the drawing.

ACTEON North America held this drawing to kick off the introduction of its new imaging products for the Apple® MacOS® platform to the US market. **ACTEON** will begin offering this imaging solution to Apple users on June 1st, 2011 and it will support both intraoral cameras and digital X-ray sensors.

The winner of the new Apple iPad2 were Drs. Ty and Susan Caldwell of Cypress, CA. Drs. Caldwell's entry was chosen at random from all entries generated by booth orders. Congratulations to Ty and Susan from all of us at **ACTEON North America**.

ACTEON products are available through our OEM partners and all broad line dental dealers.
